

CROCODILES
 Two types of crocodiles occur in much of the Kimberley. If you are not absolutely certain that a particular area is free of estuarine crocodiles, or there are warning signs. **DO NOT:**

1. Swim or wade.
2. Clean fish on or near water.
3. Camp next to the water's edge.
4. Allow your pets near the water.
5. Dangle legs or arms over the edge of boats.
6. Stand at the water's edge when fishing.

Absence of warning signs does not signify a safe area. Seek expert advice before swimming, camping, fishing or boating.
