About us

The Kununurra Visitor Centre (KVC) was established in 1972 and remains one of the oldest, continually operational Visitor Centres in Australia.

We are a not-for-profit, self funded organisation, with a business vision to excel as a trusted provider of services to Kununurra and Kimberley visitors, businesses and operators.

Maintaining a strong base of members is crucial to the success of the KVC and inherently the tourism services that we offer.

Whether you are a small family run business or a large corporation, KVC will work alongside you and our visitors to ensure we are providing that famous Kimberley hospitality!

What we do

Our team is friendly and proud to share their local knowledge.

We work in collaboration with operators, tourism industries and the local community to ensure quality products and services.

We regularly update our social media channels with almost 113,000 followers on Facebook.

We represent and advocate on behalf of the region's tourism industry at local, state and federal levels.

KVC engages with more than 70,000 visitors coming to the region each year, this figure includes face to face, telephone and social media interactions.

We also provide a civic service to locals and visitors alike, dealing with enquiries on topics of public interest such as health and safety (eg: COVID restrictions) weather patterns and road conditions, electoral arrangements and more.

KVC is entrusted with the Argyle Homestead Museum and our caretakers welcome visitors annually from April to September (details later in the pack).

Platinum and Gold member brochures are displayed onsite at the Homestead and we also carry Argyle homestead specific merchandise on sale, along with generic items and refreshments.

What benefit does tourism bring to our region

Tourism is one of the top five future growth sectors for the Australian economy, forecast to double in size over the next two decades. Tourism generates growth in local spend and employment opportunities. It also encourages investment into the development of infrastructure and the protection of natural areas and cultural icons for the shared benefit of visitors and the local community.

Why join us at the Kununurra Visitor Centre

All businesses, professional services and commercial operators within our region, will ultimately receive a benefit that has been provided, directly or indirectly, to the local economy by tourism

It is in the direct interest of all those who benefit from tourism to participate in, and contribute to, the effective promotion of the region and the planned management of its marketing activities. The success of our Local Tourism Organisations requires people to take ownership and make positive contributions to the organisation through active membership and support.

Through a collaborative approach, members work together to advance our common goals for the development of the tourism industry in Kununurra and the Kimberley.

And for our tour operators - without Kununurra Visitor Centre as your booking agent in Kununurra - would your business be able to handle the number of people that will come to your office to book your product?

The value of the WA tourism industry is
\$9.5 billion by Gross State Product
(GSP) and employs 94,800 people in
WA.

Please support your local visitor centre
as a member to ensure the growth of the
tourism industry in the East Kimberley

Our Visitors

Whilst digital information is taking over, many visitors still prefer a printed pocket size guide to read and scribble on.

Together we handed out 25,000 printed copies, and at the height of the 2022 season we introduced a option for our visitor to scan a QR code to access an electronic copy of the Visitor Guide, improving our sustainability.

Because of our expertise and solid reputation, we enhance your marketing opportunity to increase booking nights and/or tours.

KVC is often the first point of contact for visitors arriving in the region or beginning to plan their Kimberley adventure from interstate.

Visitors often come with little or no knowledge of Kununurra with questions like:

"How many Bungles are at the Bungle Bungles?"

"Argyle Diamond Mine - do they make the diamonds there or do they dig them up?"

"Is there any water in Lake Argyle?"

"We are trying to get to the Kimberley - can you help with directions please?"

Of course, this is where the staff come in.

We go through what there is to see and do in Kununurra, what will entertain the kids or how to get out on the river or lake. Birds, Boabs, Bungles, Barra, boating or a bed are all covered in our recommendations, as well as coffee, jewellery, pottery or crockery.

Visitors are seeking local advice, trusted guidance and accurate information to navigate unknown territory, they understand the value of seeking out a Visitor Centre in a regional town.

Figures continue to demonstrate direct and online bookings are increasing for our operators. Don't underestimate the value of the KVC as a significant number of those will definitely have come from contact with us first!

Working together/Shared vision/common goals

KVC is grateful to our members for their hospitality when the team is invited to experience products and services, this ensures we can recommend confidently what there is to see and to do in Kununurra.

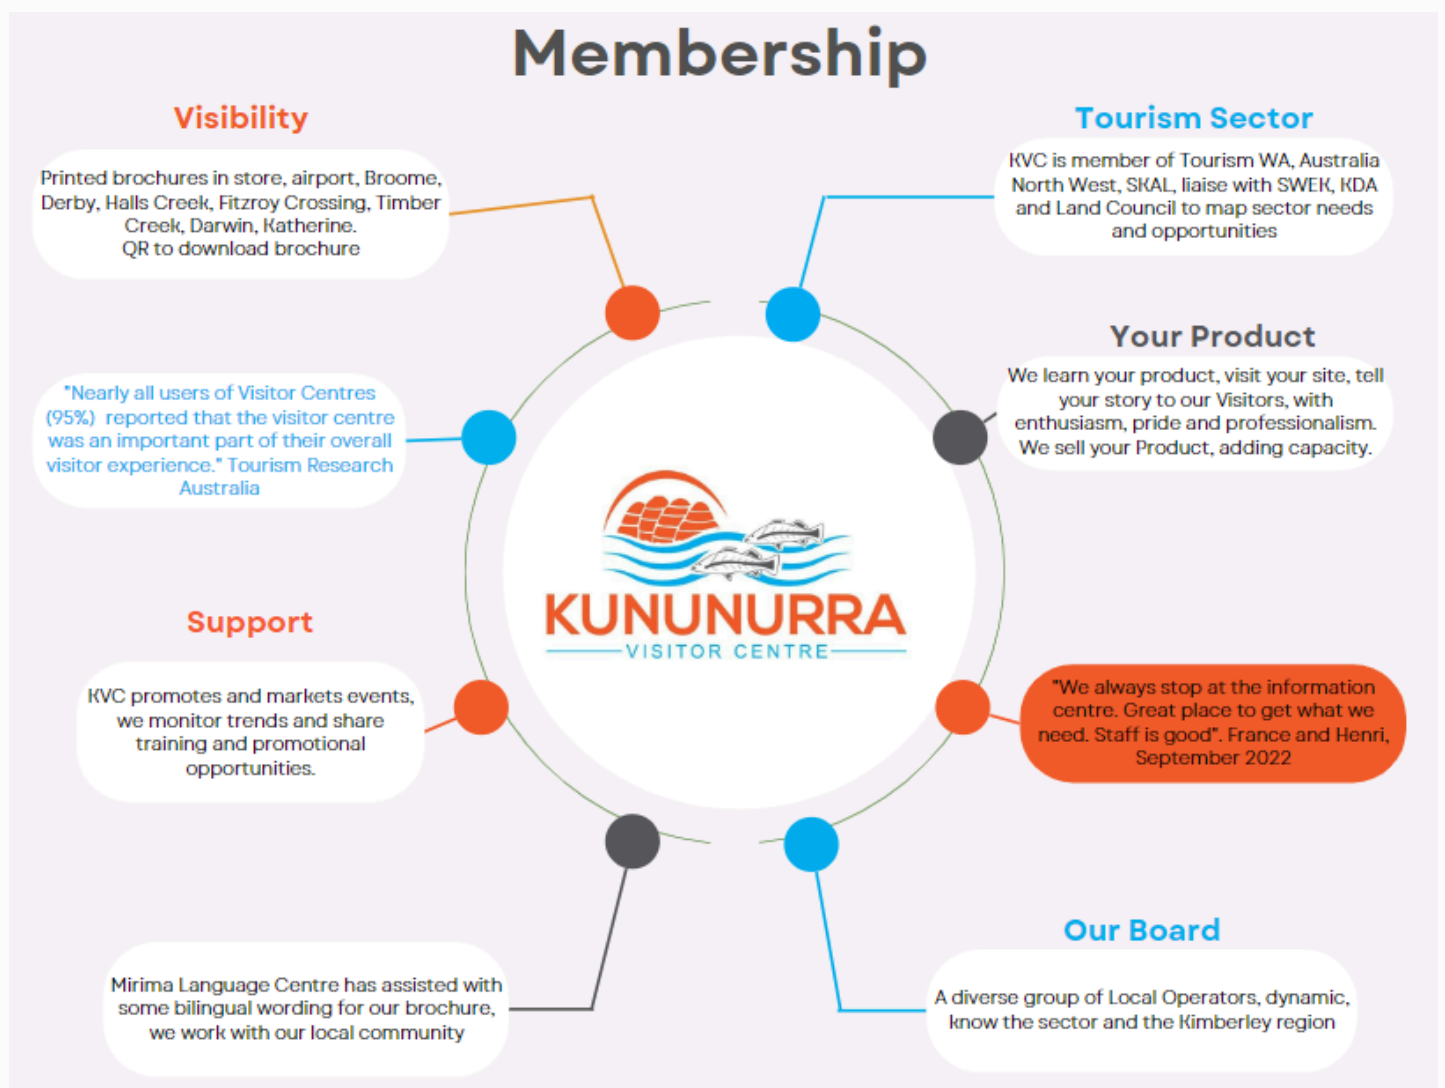

We offer a benchmark of quality and value for money, reassurance to visitors and members alike.

As we support inclusion and participation, it is important that we know what is suitable for different mobility and/or sensorial abilities, such as ability to do lengthy walks or to climb a set of stairs.

We appreciate it when members visit the visitor centre too - product updates are very valuable to you and our staff.

Visiting the visitor centre during busy times is also welcomed.

We have a very strong code of conduct that we expect our members to adhere too, ensuring both KVC and Members each support each other.
